Test Pattern:

Test 1: Aptitude Test (Three Sections: English, Analytical Reasoning, Quantitative Aptitude). 60 min, 60 Q, No Negative Marking

Test 2: WET Test. 20 min, 1 Q, No Negative Marking

Note: Both Test 1 and Test 2 are purely written assessments, and no section requires you to listen to an audio or speak. Hence, usage of earphones/ headphones/ earbuds/ Bluetooth or any other such devices is prohibited during the assessment

Important Instructions

1. The test is webcam enabled and you are being monitored throughout. **If the webcam is not detected at the time of starting the test, the question paper will not load. Kindly allow the webcam access before the test.**
2. Webcam and Internet continuity is needed throughout the test. Ensure there is good internet and power backup available. **The speed of the internet should be more than or equal to 4 MBPS.**
3. Do not press backspace, refresh, or close the window during the online test
4. Do not submit the assessment unless you have attempted all the questions. Test once submitted will not be reset.
5. In case of Internet failure, the test will continue to run, and you can attempt the questions without any hassles. As soon as internet is resumed, all answers gets saved automatically.
6. In case of power failure, do not panic, restart the test using **the same login information and the same browser**, the test will start from the same question where you had left earlier and all attempted questions remain attempted
7. Once the test is completed, you will get a confirmation message on your screen.
8. For the entire duration of the assessment, please remain seated in front of your webcam
9. Make sure there is proper lighting in the room, and it is on your face
10. Avoid bright lights in the background and ensure the background wall is plain
11. You must not be interrupted by the company of friends/ family members or anyone else during the assessment session

Assessment compliance guidelines

- Usage of earphones/ headphones/ earbuds/ Bluetooth or any other such device is not permissible during the assessment
- You will not switch off the camera, block the camera or move away from the camera during the entire assessment
- You will not take any help from any other person/ reading material/ books/ Mobile Phones/ any other instrument during the entire assessment
- Except you, no one else should look into your screen during the assessment

Note: Non-compliance to the above assessment compliance guidelines may result in rejection of your candidature

Submit Failure:

In case at the time of submission, you do not have internet connection, please do not panic. The unsubmitted answers will be visible on the screen in front of you, please follow instructions.

In case of any technical queries refer to FAQ document, if issue persists, please reach out to aasindiawiprocampus-techsupport@aon.com during the assessment window

Please note that at any stage, whether during your online test and/or interview process or upon joining the Company, if it is brought to our notice that you have indulged in malpractices or used illegal means to clear your online assessment, the Company shall withdraw or revoke the offer with immediate effect and we reserve our rights to take suitable action against you as we may deem fit.

Wish you All the Luck!!
