Hello!

You cleared the online assessment round for SIM (School for IT Infrastructure Management) Program! We are so excited to see you succeed, and we wish you the heartiest congratulations as you celebrate.

Now, there's only one final round to go. This will be your SVAR online assessment and it will begin from 22nd April 2023.

We invite you to the bootcamp that we are hosting to help you prepare for this round. This session will tell you more about the assessment and will give you a chance to clear your doubts and get any questions answered
